Karen Lodrick

Leading nationwide
consumer advocate for
identity theft protection

"After living through my own identity theft nightmare, I had been searching for the right identity protection solution for more than a year when Readers Digest published my story in an article titled 'To Catch An Identity Thief' in its January 2008 issue.

"Only one protection solution satisfied all four of my requirements—and then some. I encourage you to join me as an iDefend subscriber."

iDefend **Individual Plan**

Pocket Change

It's easier to **get protected** against identity theft

than it is to **recover** from it on your own.

Save Money.

Without **WHOLE** identity protection, recovering from ID theft can cost victims up to \$10,000 in legal fees, lost wages, and more. (FTC)

Protect yourself against a major financial hit. Get the coverage you and your family need. Get iDefend.

Save Time.

Recovering from identity theft can take up to 500 hours of your personal time. (FTC)

Protect yourself against the major headaches and the countless hours it takes to recover from identity theft. Get iDefend.

Peace of Mind.

1 in 20 adults in the U.S. are now victims of identity theft. (FTC)

You can live life knowing you and each of your family members are well protected against the devastating effects of identity theft. Get iDefend.

Count your change, then ask yourself...

Is there a better daily value than iDefend for less than the change you have in your pocket or purse right now?

Your identity is worth protecting.

Your family is worth protecting.
